

UCH0056: 2590 Modular Battery Charger

Technical Datasheet

Features

- LED status indicator
- Contains charger, auto adapter and DC input cable
- Durable molded housing with mating connector for Ultralife Smart 2590 Batteries
- Full wrap-around nylon strap for secure connection in rugged environment

Benefits

- Specifically designed to charge Ultralife UBI-2590 battery family (UBBL02, UBBL10 and UBBL13) safely & efficiently
- Safety circuit protects against charging shorted packs

Applications

- Modular charger for when AC power or desktop chargers are unavailable
